

## Drainfield Restoration Limited and Conditional Warranty

1. Terms of Warranty:
  - a. Throughout this Warranty (“Warranty,” “plan” or “contract”) the words “We”, “Us” and “Our” refer to Michigan Drainfield (“MD” from this point), 17261 Van Wagoner Rd, Spring Lake, MI 49456, the Obligor of this Warranty.
2. Warranty: Upon successful completion of Drainfield Restoration the customer will receive a 5 year, Limited and Conditional Warranty. If after the restoration, the drain field fails MD at its discretion will perform a second Terra Lift or recommend additional service, possibly including the installation of a new drain field with MD. In the event a new drain field is needed MD will apply 100% of the price of the Terra Lift portion of the Drainfield Restoration towards the cost of MD installation of a new drain field. Warranty is transferable between owners during five-year warranty period.
3. Coverage:
  - a. Coverage of Limited and Conditional Warranty is dependent on the continued use of MD for warranty service. The use of third-party companies, without prior approval, voids warranty.
  - b. This warranty covers the warrantees drain field and its continued function for a five-year period starting the date the Drainfield Restoration is performed.
4. Conditions:
  - a. The Limited and Conditional Warranty is dependent on the continual use of MD for annual maintenacne of SludgeHammer device and following proper usage outlined by manufacturer. Failure to continue maintenance contract with MD will void warranty.
  - b. Warranty is transferable within the five-year warranty period to new owners of the property, but it is the sole responsibility of the warrantee to notify MD within 30 days in writing, by mail or email, of change in warrantee ownership. It is the responsibility of warrantee to notify the new warrantee the terms of Coverage, Conditions, and Limitations.
5. Limitations:
  - a. Warranty Claims are subject to review by MD. This Limited and Conditional Warranty applies only to Restore Drainfield Restoration services that are not subject to accident, misuse, neglect, flood, fire or other external causes, unauthorized use, alterations or unauthorized repair, damage due to driving over drain field or heavy equipment around or near drain field, or any other improper use voids the warranty.
  - b. Drain fields which are found to have been installed improperly, such as improper grade of outlet pipe, or header, or other issues resulting from improper installation voids warranty.
  - c. Warranty claim only includes cost of the Drainfield Restoration and no other services rendered during process. Drainfield Inspection, future bacteria sales, or other such items are not included in warranty.
  - d. This warranty excludes, damages, losses and claims enumerated in the “Restoration Waiver.”
